

Privacy Permission Form

Season 2010

Berwick Junior Football Club believes in your right to Privacy. As a Junior Football Club, we produce newsletters and run a web site in order to provide all Berwick Junior Football Club players and their families with on going information, which is both informative and interesting. The Berwick Junior Football Club web site will be for the sole purpose of providing relevant information to players, families and friends about the running of the club and the achievements of the players. As such, Berwick Junior Football Club would maintain a computer database of the player and family information, in accordance with Commonwealth Government regulations. This database is used for mail outs as and when required. Under no circumstances, is this information distributed or sold for commercial use. All your personal information that is stored on our computer system is available to you if requested.

NAMES: We will list players on the web site and newsletters by Christian name and last name first initial ONLY. Players will be listed by their first names "ONLY", when leaving the club. All game results on the web site will be listed under the player's team, Christian name and last name first initial ONLY. Newspapers require Christian name initial and surname.

PHOTOS: Photos will be placed on the web site, newspapers or newsletter, to show players competing on game days, finals or being presented with awards.
